

U1P-Drive Synthetic Blend Motor Oil

10W-30 Euro Rennsport, ACEA C4

Auto – Light Truck | United States

Product Description

U1P-DRIVE SAE 10W-30 Euro Rennsport Synthetic Blend Motor Oil, ACEA C4 is a top-tier synthetic blend engine oil engineered for high-performance luxury European vehicles. Formulated with pure full synthetic base stock combined with 100% virgin mineral base stocks and an Ultra-premium additive package. This oil is designed for use in fuel injected, turbocharged, supercharged, and carbureted high performance European gasoline and diesel engines. Euro Rennsport Synthetic Blend Motor Oil meets and exceeds the rigorous demand of Euro ACEA C4 performance requirement. Also, suitable to substitute previous oil specifications recommended for older vehicles.

U1P-DRIVE Euro Rennsport Synthetic Blend Motor Oil exhibits outstanding oxidation and thermal stability, shear stability, wear protection, detergency, dispersancy as well as protection against low-speed pre-ignition.

Features and Benefits

- Longer Engine life.
- Excellent overall lubrication and wear protection even in extreme driving conditions.
- Provides excellent cold start lubrication and reduces friction for better gas millage and control of emissions.
- Prevents the formation of varnishes, sludge and deposits that could be generated at high temperatures.
- Maximum protection against corrosion and rust formation.
- Reduces lubricant evaporation at high temperatures.
- Outstanding stable performance within the maximum oil change interval recommended by the vehicle's manufacturer.

This product meets or exceeds the requirements of:

ACEA C4

Properties and Specifications*

Parameter	Result
Appearance	Amber, liquid
Viscosity @ 40°C, cSt, ASTM D445	73
Viscosity @ 100°C, cSt, ASTM D445	12.2
Viscosity index, ASTM D2270	165
CCS Apparent Viscosity, cP, ASTM D5293	5,900 @ -30°C
Pour point, °C, ASTM D97	-39
Flash point, °C, ASTM D92	230

*Typical Properties are typical of those obtained with normal production tolerance and do not constitute a specification. Variations that do not affect product performance are to be expected during normal manufacture and at different blending locations. The information contained herein is subject to change without notice.
